

# When you LEAD, PEOPLE NOTICE.

To **Fidelity Health Care's** nurses, therapists and staff congratulations on achieving a 5 (out of a possible five) "Patient Experience Rating" by Home Health Compare, the Centers for Medicare & Medicaid Services—(CMS) sanctioned agency that oversees home health care quality. Thank you, every day, for your service to the patients and families all over the region. You are leading with expertise, experience, and care. To learn more, visit [fidelityhealthcare.org](https://fidelityhealthcare.org).
